Owen County Schools – Core Beliefs

1. We believe that all students should be provided hands-on, personalized learning opportunities that inspire and engage them in self-discovery, curiosity and life application.
2. We believe parents must be engaged to play a well-defined and meaningful role in the lives of their students at school.
3. We believe that students need to be challenged intellectually so they DO NOT fear the challenge but embrace it.
4. We believe that everyone does not learn in the same way. Some require more time, resources and different ways of teaching to be successful.
