## September 2017-Owen Co. Community Learning Center Afterschool Program

### CLC Goals

- To help students who are falling behind (especially in reading, math, and science) become successful academically.
- To provide expanded learning opportunities for students in the form of enrichment programs throughout the school year. (i.e. arts & humanities, fitness, service learning projects, strategic games, etc.)
- To foster positive outcomes for students, families, and our community by providing a safe, positive, all-inclusive Center that meets the many needs of our community (i.e. educational, social, recreational, cultural and enrichment).

### We Will:

- Provide daily mandatory homework help for each student involved.  
(Students must participate in Homework Group in order to attend the CLC after-school Program)
- Track student grades and collaborate with teachers to determine target areas for each student and address those areas.
- Provide daily, expanded learning opportunities through enrichment programs.
- Provide a snack for each student.
- Provide daily fitness/recreational programs.
